4. If you have 500 000 and more PROOF, upload the following documents:

- Passport (passport or other identity document with a holder's photo);
- Bill (a document confirming the permanent registration address, a national passport with a stamp confirming the current living address or one of the documents issued not earlier than 6 months before the uploading date: utility bill, local authority tax account, bank statement);
- Bank documents (reference letter confirming that the participant is the bank's client).

The documents must be submitted in their original form or in a certified true copy form.

- 5. Press Send.
- 6. Wait for the confirmation of the procedure, notification will be sent to the specified e-mail
- 7. You can find the procedure status on prover.io.

- confirmed

- in process

- not passed

8. After the passing of KYC procedure is confirmed, PROOF tokens will be credited to your Cryptaur Wallet.
